

Grand Banks Authorized Service Centre Updates

In late 2010 representatives from Newport Marine Services and South Pacific Marine Electronics travelled to Singapore and Malaysia for our Grand Banks Authorized Service Centre Training. Over the course of 4 full days Grand Banks gave the new Service Centres a comprehensive training course that included all facets of GB construction and assembly. We are proud to have the new Service Centres on board and look forward to working with them in 2011.

Our current services centres are:

Sydney-

Newport Marine Services, operating out of the Royal Motor Yacht Club in Newport, is one of the newest and most comprehensive Authorized Service Centres in Australia.

Gold Coast-

South Pacific Marine Electronics, based in the Gold Coast City Marina, have recently signed up with Grand Banks Australia. Owned by Andrew Torti, this company has proven to have a good eye for details and a vast knowledge in electronics.
