

## **Grand Banks 72 Aleutian SC Arrives in Australia**

Grand Banks Australia announces the arrival of its first 72 Aleutian Stretch Cockpit (SC) into Australia.

The GB 72 SC boasts an extensive main deck that extends gracefully aft from the saloon to the transom on one level, creating a wonderfully large outdoor living and seating area, protected by the flybridge deck above. Her unprecedented amount of living, dining and entertaining space is smartly utilized throughout a standard layout featuring three staterooms plus an office, and crew's quarters aft of the engine room. Pair this with a stable ride and easy handling and the 72SC sets a new standard in her class for luxury and performance.

With the arrival of this latest GB 72 SC, Grand Banks Australia has proudly sold 5 new Grand Banks' into Australia since opening its office doors in May 2010.

For more information on any new or brokerage Grand Banks please contact us.
